Fire Power Seminars and Dr. Terri Jennings of Healing Hooves to Expand Corporate and Youth Seminars

Companies to Collaborate on Corporate and Youth Empowerment, Team Building and Communication Seminars

FORT LAUDERDALE, Florida -- Fire Power Seminars and Dr. Terri Jennings of Healing Hooves, Inc., today announced that they are expanding their current strategic alliance by enhancing their team building corporate seminars, and developing youth seminars. This agreement creates a service partnership furthering their abilities to deliver high impact seminars.

Serving Corporations and Youth Groups

Under the strategic alliance, Fire Power Seminars and Dr. Terri Jennings will provide corporate and youth seminars in North America. The agreement's broad range of services include: enhanced corporate and new youth: team building, communication and empowerment seminars.

Fire Power Seminars founder and President Connie Phelan said: "We're very pleased to build significantly on our special relationship with Dr. Jennings in a way that will meaningfully expand our ability to uncover the true potential of companies' employees and therefore discover the true potential of their company. This agreement is key to fulfilling our commitment to realize the potential in our youth. The great value and opportunity inherent in Dr. Jennings' work makes our partnering a natural fit."

Dr. Terri Jennings, the founder of Healing Hooves, Inc. said, "When I attended a high-impact seminar with Fire Power Seminars, I realized that the "experience," was far greater than any of the Ropes courses I had taught or attended. A collaboration would offer unique team building and communications seminars to corporations, and assist in developing tomorrow's leaders through youth programs."

About Fire Power Seminars

Fire Power Seminars was founded in 2006 to partner with individuals, organizations and companies who realize that their employees are their greatest assets. They strive to build long-term relationships with clients by providing high-impact seminars that are designed to help attain and maintain extraordinary levels of performance.

Fire Power Seminars offers various high impact corporate seminars tailored to fit the client's unique needs, tapping into the full potential of the employees to maximize company success. Whether it's team building, improving communication, increasing sales, empowering employees or firewalking, clients will experience an outrageous seminar like no other. These high impact seminars are stimulating, empowering and motivating. Their exciting and experiential seminars enable participants to surpass their expectation of what they believe is possible, enabling them to reach new levels of success.

About Dr. Terri Jennings

Dr. Terri Jennings has worked and trained in the field of psychology for over 15 years, receiving her Ph.D. in Counseling Psychology from the University of Miami. She brings expertise in Equine Assisted Learning (EAL), using horses to help us learn new ways of thinking. In addition to EAL, she brings team building expertise as a skilled facilitator, working with goals tailored to the specific needs of corporations. As a facilitator, Dr. Jennings offers teamwork, communication and problem solving skills for adults. She also works in a variety of settings with children and adolescents, effectively addressing low self-esteem, anxiety, depression, behavioral problems, aggression and substance abuse. Dr. Jennings will play an integral part in the development of youth, team building and recovery programs. Fire Power Seminars is honored to have her as a part of the team.
