Fire Power Seminars Facilitates February Empowerment Firewalk Seminar

Empowerment Firewalk Seminar in Ft. Lauderdale Feb. 13, 2010

FORT LAUDERDALE, Florida -- Fire Power Seminars is facilitating an empowerment firewalk seminar on Saturday, February 13, 2010 in Ft. Lauderdale, FL.

Resolve to fear less and live more in 2010 by giving yourself and your Valentine the greatest gift of all: The tools to triumph over fear. "We have nothing to fear but fear itself." Those words are as true today as they were when uttered by President Franklin Delano Roosevelt in 1933.

Fear is natural; it's a part of the human condition and something we all experience. But it doesn't have to keep you from doing what you can and want to do. Now more than ever, it's important to face your fears and move forward through obstacles with power. It is time to break through your fear, limitations, doubt and indecision.

In this seminar, you will learn how to triumph over fear and grow in ways never imagined. Identify and break non-productive and counter-productive patterns, and move beyond your comfort zone into your power. As stated by past participant Cindy Halley, founder and owner of GODPillow: "I now know I can succeed in anything. This is a life changing event. There is only one question to ask yourself... do you want to change things in your life?"

Fire Power Seminars Founder and President, Connie Phelan, said: "We are thrilled to offer this life changing event, and are expecting participants from Florida, Boston and New York. All are welcome. If there is something you want to change in your life, this seminar is for you."
